There is a very remarkable Custom among the Fellowship Porters, which is as follows, viz.

By an Act of Common Council, a Sermon is preached to them, in the Parish

Parish Church of St. Mary-at-Hill, the next Sunday after Midsummer Day; when over Night they furnish the Merchants and their Families about Billingsgate with Nofegays, and in the Morning they proceed from their Place of Meeting in good Order, each having a Nofegay in his Hand; Walking through the middle Isle to the Communion Table, every one offers something in the two Basons, for the Relief of the Poor, and towards the Charges of the Day; and after they all have passed, the Deputy, the Merchants, their Wives, Children, and Servants, walk in Order from their Seats, and bestow their Offerings also, which is a Ceremony of much Variety. The Charges of their Nofegays have amounted sometimes to near 20l. in one Year.

3. Tackle-Porters are such of the Ticket-Porters as are furnished with Weights, Scales, &c. and their Business is to weigh Goods, &c.

4. The Companies-Porters land and ship off all Goods and Merchandizes exported and imported to and from all Parts near the West Side of the Sound, in the Baltic Sea, Holland, France, Spain, Italy, Germany, Turkey, and all towards or beyond the Cape of Good Hope.

By the Statute of 10 Geo. II. it is enacted, " That no Waterman (although free of the Company) shall take an Apprentice under Fourteen Years of Age, nor above Twenty; and that Apprentices be taken for Seven Years at the least, and be bound by Indentures, and inrolled in the Book of the Company, on Penalty of the Master's forfeiting 10l. and the Apprentices bound contrary to the true Intent of that Act, forfeit the Freedom, Privileges, and Advantages, otherwise obtained by Apprenticeships. Nevertheless a Freeman may have two Apprentices at one Time, provided the First has served Four Years, when the other is taken, on Penalty of 10l.. And Proprietors of Twelve Lighters may take two Apprentices at one Time; as may Proprietors of Forty Lighters take four,

and no more, provided such Proprietors make Oath of owning such Number of Lighters, Barges, or flat-bottomed Boats."

And for preventing the losing the Lives of Persons passing on the River, it is enacted, " That no Tilt-boat, Row-barge, or Wherry, take at one Time more than Thirty-seven Passengers, and Three more by the Way; nor in any other Boat or Wherry, more than eight, and two more by the Way; nor in any Ferry-boat or Wherry, allowed to work on Sundays, any more than eight Passengers, on Pain of forfeiting for the first Offence 5*l.* for the second Offence 10*l.* and for the third Offence to be disfranchised for twelve Months from working on the River, and from enjoying the Privileges of the Company: And in case any Person shall be drowned, where a greater Number of Passengers is taken in than is allowed, the Watermen shall be deemed guilty of Felony, and transported as Felons."

By the same Statute, it is also enacted, " That every Tilt-boat shall be of the Burden of Fifteen Tons, and any other Boat or Wherry Three Tons; and that no Gravesend Boats or Wherries with close Decks or Bails nailed down, and not moveable, be navigated, Tilt-boats only excepted, on the Penalty of 10*l.*

Any Waterman or Wherryman who wilfully or negligently lose their Tide from Billingsgate to Gravesend, or from thence to Billingsgate, by putting ashore for other Passengers, or by waiting or loitering by the Way, so that the first Passengers shall be set on Shore Two Miles short of the Place to which they are bound, such Passengers shall be discharged from paying any thing for their Passage.

The Rulers of the Watermen's Company are to appoint two or more Officers to attend, one at Billingsgate, at every Time of High Water at London bridge, and the other at Gravesend, at the first Flood; who shall publicly ring a Bell for fifteen Minutes, to give Notice to the Tilt-boats and Wherries to put off. And if such Wherrymen, &c. do not immediately put off on ringing the said Bell; and do not effectually proceed on their Voyage, but put on Shore within Two Miles of Billingsgate or Gravesend, as the Case may be; or if such Boats are not navigated by Two sufficient Men, the youngest to be Eighteen Years old at least; in every such Case the Owners of such Boats shall forfeit Five Pounds, to be levied on the Boats or Goods of the Owners of such Boats.

And if the Company of Watermen neglect setting up the said Bells, and appointing proper Persons to ring them, they shall forfeit 50*l.* and Persons appointed to ring the said Bells, forfeit 40*l.* for every Neglect.

Whoever has occasion to go by Water need make no Bargain with the Waterman, but only tell him at what Stairs he is to land him; then paying him according to the foregoing Rates; if he refuses to accept the Money, the best Way is to offer him more Money than he demands, and to charge him not to take more than his due: But be sure to remember the Number of your Waterman's Boats; for if he has taken more than his Fare, and you have a mind to correct him for imposing upon you, you may go to Waterman's Hall, by the Old Swan Stairs, and acquaint the Clerk with your Business (giving him at the same Time the Number of the Boat) who will summon the Waterman to the Hall, to answer to your Complaint. And if he is found to have acted against the prescribed Rules, he will be punished according to the Nature of his Crime whether it relates to Exaction, Sauciness, or other Misbehaviour towards you.

SANDWICH, } His Majesty's Post
LE DESPENSER, } Masters General,

Of the PENNY-POST OFFICE.

THE Penny Post Office is chiefly under the Care and Inspection of a Comptroller; and the Custom of the Office is, to receive One Penny upon the Delivery of every Letter or Parcel, not exceeding One Pound in Weight, and to be delivered not above Ten English Miles distant from the General Letter Office in London.

For the Ease of the People, and the more speedy forwarding their Letters or Parcels, by Messengers appointed for that Purpose, a sufficient Number of Receiving-houses are assigned in Town and Country, where Letters and Parcels are received.

N.B. In London, Westminster, and Southwark, Letters and Parcels are received (and ought to be delivered) every Hour, viz. from Eight in the Morning till Ten at Night, Sunday and Part of Christmas-day excepted.

For the better ordering this very convenient Project, the Penny-Post is divided into Five Offices, where all Letters and Parcels that are brought in, are registered, and who dispatch them to the several Places in each of their Divisions hereafter mentioned.

The Number of Figures placed before each Town, Village, &c. shews how often Letters and Parcels are conveyed thither and back again in every Day, and at what Time.

The Names and Places of the FIVE OFFICES, whence Letters and Parcels are conveyed.

The General and Chief Penny Post Office, which has the Inspection and Management of all the rest, is kept in Throgmorton-street, opposite St. Bartholomew-lane, which collects, receives, and delivers Letters and Parcels to and from the following and adjacent Places, besides what it delivers in its own proper District in LONDON.

N.B. These Offices have suffered Impositions and Aspersions by Money and Things of Value sold to be sent by this Conveyance; Notice is given, that unless such Letters be left open to be so carried to one of the Five Principal Offices above mentioned, there seen and entered, the Letter Carrier will no ways be made answerable for their Miscarriage. From the Distance of the above Places, Letters and Parcels, in order to benefit by the first Delivery, must be put into a Receiving-house before the last Collection of the preceding Evening, which is notified in the printed Label at each Receiving-house, or carried to one of the Five Principal Offices, between all which there being an hourly Conveyance, from 8 o'Clock in the Morning till 8 o'Clock at Night, Letters and Parcels put in at them, but more especially at that in whose District the Place stands, and from whence the Letter Carrier is dispatched, will be much accelerated in their Delivery both in Town and Country. The Public are desired to be very distinct in the Directions of Penny Post Letters, particularly to Lodgers; by mentioning their Landlord's Name or Sign, for want of which many cannot be delivered; and as a Check on the Letter Carrier, those that he returns after three Days Inquiry, will be sent to the Writers Gratis, if their Residence can be discovered, that in case the Reason on the Reverse of their Cover does not appear satisfactory, the Writer may have Opportunity of informing these Offices of any Neglect; and to discover any Delay, the Triangular Stamp on all Letters and Parcels, shows the Day they were brought to a principal Office, and the round Stamp, the Hour they are given to the Letter Carrier; General Post Letters to the Places above-mentioned, are conveyed by the second Delivery every Day, and those from

the Country are brought to the General Post Office every Night. Nothing above Four Ounces will be forwarded by this Conveyance, unless passing to or from the General Post Office.

Of entering Goods at the Custom-house.

I. **O**F entering Goods outward.

II. By Certificate.

III. Inward.

When you have Goods to enter, if you have not Servants to do it, and think staying an Hour or more at the Custom-house to pass an Entry would be too much Time lost, you may have Clerks enough in the Long-Room in the Custom-house, who will do it for you for 6d. (if you make your Bills of Entry yourself) or they will make your Bills, and pass your Entry both for 1 Shilling, which few Merchants, considering their Attendance required as above, and their Business otherwise, but are willing, and think it their safest and best Way (much Trouble ensuing upon a false Entry) to make Use of the Clerks of the Custom-house for that Purpose. What I have to say in this Section, is therefore chiefly designed for Merchants Servants, who are enjoined by their Masters to make Bills, and pass Entries, and cannot well afford to pay for doing thereof out of their own Pocket.

When therefore the Goods you intend to export are made up firm and safe in Bolts, Bags, Casks, Chests, &c. you must mark each Parcel with the same Mark and Number thus, 1, 2, 3, &c. which done, and you have agreed with the Captain for Freight, and so are resolved what Ship to have, draw your Bill of Entry thus:

In the *Reward*, *John Bright*, for *Lisbon*.

John Wood.

Six Dozen of Castors.

Five Dozen of Felts.

Here you see is mentioned, 1. The Ship's Name. 2. The Master's Name. 3. The Port whither the Goods are consigned. 4. The Merchant's Name that exports, which you will easily learn to make, let the Goods be what they will that you enter, by first letting one of the Clerks make your Bills, and taking particular Notice of that, you have Occasion to do, though never so difficult.

Of these Bills you are to write seven, one in Words at length, which is to pass, and in the rest the Quantities may be expressed in Figures, which Bills are entered into several Books by the Clerks.

If you export several Sorts of Goods at once, and some are free, others pay Custom, you must have two Cockets, and therefore must make two Entries, one for the Goods that pay no Custom, and the other for those that do.

If the Exporter makes not the Bill of Entry, which is wrote in Words at length, himself, he must sign the same as at the Mark * in the Bill above.

The Bill of Entry being made, as above, you must pay your Custom and Fees for Entry to Mr. Edward Smith and Mr. George Thornbury, according to the Book of Rates; for you must know that the Act of Tunnage and Poundage

Poundage lays a Subsidy of so much per Tun upon Liquids, or of 1s. in the Pound (or 20s. Value) on most other Sorts of Commodities; so that the Book of Rates shews how all Goods shall be valued, otherwise Goods rising and falling would make the Customs to do so too; but the Price being put in the Book of Rates, a twentieth Part of that is the Custom at 12d. in the Pound of that Value. As if you look in the Book of Rates for Hats, you'll find Beavers and Castors rated at 2l. per Dozen, a twentieth Part of which is 2s. per Dozen, or 2d. per Hat, and 1d. per Hat for Felts.

Having paid your Custom, get your Cocket (which is in the Words following) wrote on a small Piece of Parchment about four Inches broad, and six or seven in length; in Form as follows:

The Form of a Cocket.

Ind. or Indigenous Know ye that *John Wood Ind.* for six Dozen of Castors
signifies natural and five Dozen of Felts, in the *Reward, John Bright*
born. for *Lisbon*, paid all Duties, dat. 24 July, 1698, *Ann*
Guliel. Decimo.

On the Backside of this Cocket write down the Mark, Numbers, and also the Quantity of your Goods contained in your Cocket, thus:

I No. 1. 1 Box qt. 6 Doz. Castors.
W 2. 1 Box qt. 5 Doz. Felts.

If several Sorts of Goods are in the same Package, you must indorse, *Cum aliis.*

Transcribe on a Piece of clean Paper your Bill of Entry, and then you have a Shipping Bill; on the Backside of which write the Mark, Number, and Contents, as you did on the Backside of your Cocket.

But in your Bill of Entry and Shipping Bill, you need not put down the Mark and Number, but only on the Backsides as aforesaid.

This Shipping Bill with your Cocket, both endorsed on the Backside as above, you must deliver at the Water-side to the Searcher when you ship off your Goods; which Cocket is to remain in the Searcher's Office, and will be delivered to the Master of the Ship upon his going off.

For entering Goods that are to be exported by Certificate, you must know, that to export Goods by Certificate, is to export foreign Goods that were formerly imported; which Goods if an Englishman export within twelve Months, or a Stranger within nine Months after Importation, there is a Drawback allowed to such Exporter of Part (viz. for some Commodities more, for others less) of the Custom paid at Importation. But this Drawback is not to be allowed, unless the Exporter produce a Certificate, signed by the Collector or Comptroller of the Customs; that those Goods paid Customs inwards within the Time aforesaid; upon which Certificate a Cocket is granted the Exporter, which is called a Certificate Cocket.

The Form of a Debenture for Custom to be drawn back.

Valentine Vantrump Ind. did enter with us two thousand Ells Holland Linnen, the third of *August*, 1698, in the *Coronation, John Bennet*, Master, for *Barbadoes*, the Subsidy and Impost whereof was paid inward by *Samuel Round* the first of *March* last, as doth appear by the Certificate of the

Collector inwards; and for the farther Manifestation of his just Dealing herein, he hath also taken Oath before us of the same.

Custom-House, London, Aug. 3, 1698.

To this Debenture the Exporter is to make Oath to the Collector at the Bench in the Long-Room to this Effect :

Juravit Valentine Vantrump, That the same Holland Linnen above-mentioned was really shipped out, and hath not been relanded in any Port or Creek in England or Wales since last shipped. *Aug. 3, 98.*

Signed { Will. Townsend,
or
Tho. Causton.

The Messieurs *Walpole* are Collectors.

The Form of a Certificate Cocket.

London. Know ye that *Valentine Vantrump* Ind. for two thousand Ells Holland Linnen, paid per *Samuel Round* the first of *March* last, late unladen, and now in the *Coronation*, *John Bennett*, for *Barbadoes*. Dat. *Aug. 3, 1698.*

When therefore you would get a Certificate-Cocket for Goods that you are about to transport, you must take out of the Books of the Importer the Day when the Custom inward was paid, and by whom, and carry that to the Long-Room in the Custom-house, and deliver it (with the Quantity you would export) to the Clerk to the Comptroller of the Subsidy inward and outward, which is now *Mr. Townsend*, sen. and jun. and *Tho. Causton*, who will search the Books: And finding the Custom paid inward, will make out a Certificate, upon which Certificate you have a Cocket granted for shipping your Goods off; and a Drawback of Part of the Custom and Subsidy paid inward, provided you export the Goods by Certificate in Time as is aforesaid; and if not worth while to draw back, may be entered in the free Cocket, calling them out of Time.

For entering Goods inwards at the Custom-house.

Having a Letter of Advice, that the Ship is arrived which has your Goods on board, you must search the Ship's *Entry-Book* at the Custom-house, which lies publick in the Long-Room, where you will find the Ship's and Captain's Names, also the Land-waiters Names appointed to attend the unloading, and at what Key the Goods will be landed. As thus :

Wanley and Isaacson.

Three Brothers of London, Isaac Greenwood, a Barbadoes, Cust.

Here you see is, 1. The Land-waiters Names. 2. The Ship's. 3. The Captain. 4. The Place whence the Ship is arrived. 5. The Key the unloads at.

And if you find the Ship entered, you may likewise enter your Goods; as suppose they be ten Bags of Cotton, which though it pays no Custom (if from our Plantations in *America*) yet must, as all other Goods inward, be landed by Warrant; which Warrant cannot be obtained without Entry, and paying the Fees for Entry, though free as to Custom: And the same may be said of Fustians and Cheese outward: The first of which pays no Duty, and the latter none, unless its Value exceeds 30s. per Hundred; yet these

these and all Goods, though exported or imported free, must however be entered at the Custom-house, and shipped off by Cocket, or landed by Warrant. Make your Bill of Entry therefore for Cotton-Wool, thus:

The Form of a Bill of Entry Inward.

In the *Reserve*, *Tbo. Hook*, from *Barbadoes*.

John Howe.

Ten Bags of Cotton-Wool of the Growth of the English Plantations.

If the Duty of your Entry is above 10*l*. pay it into the Treasury to Mr. Lomas, and take his Note to the Person that collects the Duty of the Goods you enter inward.

2. Of these Bills of Entry you must write eight, and one in Words at length as the foregoing, which is for the Warrant, and must be signed by the Party in whose Name the Goods are entered, and your Mark must be inserted in the Margent, but the other seven may be wrote in Figures; all which being finished, carry them to Mr. Farr in the Long-Room, and pay him the Fee for Entry and Custom, and so your Entry will pass, and the Land-waiters will that Afternoon have a Warrant for the landing your Goods; which Warrant may be seen at any Time afterward in the Jerker's Office.

If Bonds given; for Wine, Mr. Mayne and Mr. Merriot; for exciseable Liquor, Mr. Speidell and Mr. Tull; for West-India Goods, Mr. Farr and Mr. Speidell.

3. The Fees for Entry are as follows :					s.	d.
For a Freeman of London	—	—	—	—	2	6
An Unfreeman, who is an Englishman :	—	—	—	—	3	2
An Alien or Stranger	—	—	—	—	3	10
A Navigator	—	—	—	—	4	2

And if they neither write their Bills, nor pass their Entry themselves, they must then pay 1*s*. more, as by the second Article foregoing.

Note, That an Alien is one that is no Englishman born; and a Navigator one that imports Goods in a foreign Bottom, as allowed by the Act of Navigation.

4. It might perhaps have been expected something more particular should have been said of passing Entries, and writing Bills; but the Cases being so various (as was said before) it would be impossible to give an Example for each, and therefore, as an Addition to what goes before, the most ample Directions in these Matters are for the Party, who has often Occasion to enter Goods, and yet is ignorant thereof, to observe very narrowly how his own Bills are made by the Clerks, and by this Means, in a very short Time, he will be enabled to make his Bills of Entry himself. And the same Method may be taken as to passing an Entry, by observing through whose Hands they pass. But in all unusual Entries, the safest Way is to get a Clerk in the Long-Room to make your Bill of Entry; for if you should enter a Thing under one Denomination that should be entered under another, you will go near to be obnoxious to the Penalty of making either a false Entry, or none at all.

Some of the Clerks of the Custom-house are very cautious lest any one should understand their Way of passing an Entry; but, by due Care, any one that is minded may (after two or three Times seeing the Clerks write the Bills, and pass the Entries) do the same himself: And every Merchant may much-easier, and with more Truth and Safety, learn (by Practice) to

enter the particular Goods he deals in, than he could do by any Rules that can possibly be given by the most knowing in these Matters.

5. But I have seen Goods that no Officer in the Long-Room could tell how to enter or make a Bill for by the Invoice, when the Custom is paid by the Lengths, &c. and those Lengths or Quantities are not expressed in the Invoice: In this Case the best Way is to attend the coming of your Goods to hand out of the Ship or Lighter, and when they do desire the Land-waiter that they may be carried to the King's Warehouse, which is under the Long-Room, and there the Surveyor of the Warehouse will see the Lengths measured, or just Quantities taken, and will make you have a Bill of Entry accordingly; which when you have passed, you may have your Goods out of the Warehouse.

Mr. DOBSON, Warehouse-keeper.

Mr. COLE, Comptroller.

Mr. EMERSON, and } Waiters.

Mr. TILLOTSON, }
